

घर त्यो हो जहाँ मन बस्छ,

मन त्यहाँ बस्छ जहाँ सिमिल होम्सका घरहरु...

Master Plan

THE HOUSING COLONY COMPRISES OF ABOUT 54 UNITS, WITH PLOT AREAS RANGING FROM 2.3 ANAS TO 12 ANAS. EACH DWELLING UNIT IS A CLASS APART FROM ALL POSSIBLE HOUSING COLONIES AS ALL REQUIREMENTS WITHIN A RESIDENCE ARE METICULOUSLY PLANNED AND DESIGNED. THE OPEN PLAN FOR VERY UNIT PROMOTES NOT JUST FREE ADMISSION OF LIGHT AND VENTILATION BUT ALSO A COMPACT PLAN WITH LESS BUILDING SQUARE FOOTAGE AND A WORLD CLASS RESIDENTIAL AMBIANCE. THE MASTER PLAN ITSELF IS ALSO VERY AIRY AND FREE FLOWING AS THE INDIVIDUAL HOMES ARE TYPICALLY GROUPED IN MALL CLUSTERS OF ONLY 4 OR 6 UNITS. THERE ARE TWO ENTRY POINTS TO THE COLONY, ONE NEXT TO THE APPROACH ROAD AT A LOWER POINT AND THE OTHER TO THE SOUTH SIDE, AT A HEIGHT PROVIDING EXCLUSIVE ACCESS TO THE RESIDENCES AT HEIGHT. BOTH THESE ENTRY POINTS ARE SECURED WITH A GUARDHOUSE AND GUARDS ON DUTY.
